Overall Comments:

A follow up inspection was conducted on this date to verify the abatement of rodent activity observed during the 11/18/26 and 11/19/26 inspections as requested by Sheung Lee, the owner.

On this date:

- Pest control report from City Hunt Pest Control dated for 11/19/26 was reviewed at this time and indicated no further evidence of rodent activity
- The reopening checklist was received
- No further evidence of rodent activity was observed

It was discussed with the owner that additional enforcement and office hearing may be conducted if repeated major violations are observed on subsequent inspections.

This is a charged visit as a second follow up visit and will be billed at $290.00.
