Overall Comments:

Conducted in conjunction with CO0161487.

Facility is hereby closed owing to evidence of a cockroach infestation.

Facility is to immediately cease and desist all operations, including but not limited to food preparation, service, handling, distribution, and sale.

The following must be provided prior to reopening:
1. The signed and completed Reopening Checklist, emailed to the assigned inspector
2. A copy of the pest control report from a licensed provider, stating that facility has been treated and that all vermin activity has been abated, emailed to the assigned inspector

A follow-up inspection must be conducted prior to facility reopening. Call or email to schedule.
Subsequent follow-up inspections after the first shall be billed at $290/hour, one hour minimum, during normal business hours (7:30 AM to 4:30 PM), or $664 for a minimum of 2 hours, during non-business hours and in accordance with the inspector's availability.

The posted placard is property of the Santa Clara County Department of Environmental Health and shall not be removed, covered-up, relocated, tampered with, camouflaged, or copied. Failure to comply may result in a fine and enforcement action as per county ordinance section B11-55.

A facility found in operation after having its permit suspended may be subject to a penalty of three times the facility's normal operating permit fee.

CLOSURE / PERMIT SUSPENSION NOTICE

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **12/8/2026**.Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.

This notice is to inform you that as of this date the Environmental Health Permit for the above mentioned food facility is hereby suspended and all operations therewith are ordered to cease. This action is taken in accordance with Section 114409 of the California Health and Safety Code which states 'If any imminent health hazard is found, unless the hazard is immediately corrected, an enforcement officer may temporarily suspend the permit and order the food facility or cottage food operation immediately closed.'

You have the right to make a written request for a hearing within 15 days after receipt of this notice to show just cause why the permit suspension is not warranted. Failure to request such a hearing within the 15-day period shall be deemed a waiver of the right to a hearing. After these violations have been corrected, you must call the Department of Environmental Health for a reinspection to reinstate the permit to operate. Phone #: (408)918-3400.
