Comments and Observations

Major Violations

K23 - 8 Points - Observed rodents, insects, birds, or animals; 114259.1, 114259.4, 114259.5

Follow-up By
04/02/2026

Inspector Observations: 1. Observed Vermin: Documented in the following areas:
- One live adult cockroach behind the dishwasher.
2. Photographs: Taken for documentation purposes.
3. Supervisor Notified: Suzanne Lew
4. Notification: The person in charge during inspection, Johan Hugoo, has been informed that the facility must close immediately.

[CA]: The premises of each food facility must be maintained free of vermin. A facility cannot operate if there is a vermin infestation that leads to contamination of food contact surfaces, packaging, utensils, food equipment, or adulteration of food. The facility is required to cease operations immediately and must remain closed until all corrective actions on the provided checklist are completed.

Requirements Before Reopening:
1. Email the signed and completed Reopening Checklist to the assigned inspector.
2. Submit a copy of the pest control report from a licensed provider.

Minor Violations

No minor violations were observed during this inspection.

Overall Comments:

Facility is CLOSED due to vermin infestation and shall cease all food operations. Facility will remain closed until there is no longer evidence of a vermin infestation.

Facility shall:
Obtain service of a licensed pest control service. Provide service report from pest control upon follow-up inspection
Eliminate all live and dead cockroaches from facility and sanitize affected areas.
Seal or repair areas of harborage (gaps, holes, or crevices)

Prior to scheduling a follow-up inspection, facility shall:
1. Email the signed and completed Reopening Checklist to the assigned inspector.
2. Submit a copy of the pest control report from a licensed provider.

Please contact the main office at 408-918-3400 or district specialist to schedule a follow-up inspection to re-open facility.

If a subsequent follow-up inspection is required, it will be billed $282/hour, minimum one hour, during normal business hours (Mon - Fri 7:30am - 4:30pm), and $564/hour, minimum two hours, during non business hours and subject to availability of an inspector.

****** The posted placard is property of Santa Clara County Department of Environmental Health and shall not be removed, covered, relocated, tampered, or copied. Failure to comply may result in enforcement action per County Ordinance Code section B 11-55.***

****** A Facility found to be in continued operation without a permit may incur a penalty of three (3) times the operating permit fee and fee(s) for re-inspections(s) charged at the current hourly rate approved by Santa Clara County Board of Supervisors. Penalties and fees incurred due to enforcement activities must be paid in full prior to the issuance of an operating permit.***

Limited inspection conducted in conjunction with CO0159270

CLOSURE / PERMIT SUSPENSION NOTICE

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/15/2026**.Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.

This notice is to inform you that as of this date the Environmental Health Permit for the above mentioned food facility is hereby suspended and all operations therewith are ordered to cease. This action is taken in accordance with Section 114409 of the California Health and Safety Code which states 'If any imminent health hazard is found, unless the hazard is immediately corrected, an enforcement officer may temporarily suspend the permit and order the food facility or cottage food operation immediately closed.'

You have the right to make a written request for a hearing within 15 days after receipt of this notice to show just cause why the permit suspension is not warranted. Failure to request such a hearing within the 15-day period shall be deemed a waiver of the right to a hearing. After these violations have been corrected, you must call the Department of Environmental Health for a reinspection to reinstate the permit to operate. Phone #: (408)918-3400.
