Overall Comments:

Follow up inspection to the routine inspection conducted on 10/6/25. Facility was given a conditional pass due to improper food temperature control and one live cockroach found on glue trap.

Charnell Aldarete (manager) provided pest control report for services provided on 10/7/25. No activity was reported. Facility has ongoing monthly pest control services scheduled.

Observation:

-no cockroach activity observed

-potentially hazardous foods measured below 41F and above 135F

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/22/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
