Overall Comments:

Follow-up inspection to limited inspection resulting in a closure on 9/26/2022.

Facility received a professional pest control treatment. Manager stated that facility will receive weekly pest control treatments.

Observed dying cockroaches on the floor by the water heater and fryer. Cockroaches were eliminated at the time of inspection.

Observed all affected areas to have been deep cleaned and sanitized.

Continue to work removing and sealing harborage points within the facility.

Email digital pest control report to the inspector and maintain for future inspections.

Facility is reopened and may resume operation.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/11/2022**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
