Overall Comments:

At the time of the Re-inspection, the following was checked:

- 1. A visual inspection to verify all requirements have been satisfactorily met as specified on the OIR, pest control report and Reopening checklist.*
- 2. A verbal conversation with the operator to verify actions that have been taken since closure and ongoing treatment plans.*
- 3. All items on checklist have been verified completed via visual inspection and operator interview, then the facility may reopen.*
- 4. No presence of vermin noted, the facility shall be open.*

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/1/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
