Overall Comments:

A reinspection was conducted on this date as requested by Lynne Jeffrey, facilities director, to verify correction of the major violations, including abatement of the cockroach infestation, observed during the 7/28/26 routine inspection.

On this date:

- Pest control service reports were received for services conducted on 7/28/26 and 7/29/26
- Re-opening checklist received
- Areas throughout the warewashing area were observed sealed, continue monitoring and identifying additional harborage areas
- No additional cockroach activity was observed at this time
- Operator noted that increased pest services are scheduled to occur weekly

Facility okay to operate

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/12/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
