Overall Comments:

Note: 1. Breakfast service from 9:00am - 11:00am; Lunch service from 11:30am - 1:00pm. Remaining hot PHFs are discarded at end of each service. Facility receives food from Evergreen School District warehouse.

2. Food safety manager certificate: Diana Yuan - 01/08/2031

3. The cafeteria does not have a designated handwash sink and a three compartment sinks. The only two compartment warewash sink located in the kitchen is used for warewashing, fruit washing, and handwashing. It is highly recommended installing a designated handwash sink, a three compartment warewash sink, and a designated preparation sink.

4. According to USDA, schools serving lunch through the School Lunch program must have a written HACCP plan in place. Please keep a copy in the cafeteria.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **9/24/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
