Overall Comments:

Follow-up inspection for closure due to non-functioning drain lines at the 3 compartment sink.

The following MAJOR violation was corrected:

K22M - Sewage and wastewater properly disposed

Observed the 3 compartment sink is properly functioning and drain lines are able to properly drain wastewater.

All other sinks in the area were also able to properly drain wastewater.

Employee on-site cleaned and sanitized all 3 compartments at the 3 compartment sink to prevent possible contamination of utensils and equipment.

Facility has been reopened.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **12/16/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
