Overall Comments:

Remodel was done in the facility. The dish washing sink, hand sink, refrigerators, ice machine, and wall are all new. This is not an all inclusive list.

The changes may need to go through our plan check department. Spoke with the owner on the phone regarding this. Owner believes he is not required to go through plan check. I will confirm by 7/30/25 regarding the need for submitting to plan check for this or not.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/7/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
