Overall Comments:

Per Food Safety Director, the corn table in produce area has been removed from the sales floor and is currently being treated and cleaned. They will bring back the unit in a few days. All mobile plug in refrigerated produce cases located in middle of sales floor were removed and cleaned out. Observed roach monitoring traps below each of these units and also at aisle 6 near the packaged chili's.

Continue to monitor traps daily for activity.

Facility has been re-opened and ok to operate.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **7/17/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
