Overall Comments:

On site for follow up inspection.

PHFs in walk in cooler measured at 41F or below.

Maintain the walk in cooler temperature at 41F at below. Thermometer place inside the walk in cooler shall be used to monitor the temperatures and probe thermometer can also be used to check PHF temperatures (41F or below). Keep the door closed when not in use.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **9/14/2023**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
