Measured Observations

Item	Location	Measurement	Comments
Water	Prep Sink	120.00 Fahrenheit	

Overall Comments:

This is the first follow up inspection.

Observations:

- No food was observed to be out of temperature control.
- The floor sink is functioning normally.
- The odor in the restroom has been eliminated. Per Lloyd, the plumbing company informed him the source may be from a city sewer connection. Lloyd stated they will contact the property owner to request the City of San Jose to do the necessary repairs.
- Continue to correct any and all pending violations.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/30/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
