Measured Observations

Item	Location	Measurement	Comments
water	dish sink	130.00 Fahrenheit	
milk	customer self serve unit	37.00 Fahrenheit

turkey	refrigerator	37.00 Fahrenheit

Overall Comments:

There is not a food prep sink nor a hand washing sink. If any remodel or change of ownership occur then these must be installed. Also, the refrigerator and freezer are home type and will need to be replaced with approved type. The shelves are most all wood and unapproved type. These will all need to be replaced with approved type equipment and floors.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **1/26/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
