### Overall Comments:

**NOTE: Facility gets food delivered from main kitchen around 9:30AM-10:00AM. Receiving temperature logs are taken and foods are placed into refrigeration or hot box until service. Per operator all foods are placed out for about .45 hour intervals for lunch service and then discarded.**

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/8/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
