#### Overall Comments:

*Note: This is a follow-up inspection to the routine inspection conducted yesterday. The restaurant was closed due to sewage backup. During today's follow-up inspection, no sewage backup was observed. All faucets found in the facility were turned on for about five minutes and no sewage backup was observed in any of the floor or drain sinks. Therefore, the facility is open for service.*

*2. The manager send me screen shot of follow-up inspection invoice payment.*
