Overall Comments:

On site for follow up inspection for routine inspection from 11/2/23

No observations of vermin activity.

Reviewed pest control report from today. Per PIC, pest control technician was able to spray and change the traps in the facility.

Continue obtaining pest control services. Clean and sanitize areas if there are any signs of dead cockroaches.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **11/17/2023**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
