Inspected By KANE BETHEA	Inspection Type HEALTH ORDER INVESTIGATION	Consent By ASHISA ASHISA

Placard Color

RED

Overall Comments:

An inspection of the above-referenced permitted facility was conducted to determine whether the permitted facility was operating in accordance with applicable local and state public health orders, including the October 5, 2020 County Health Officer Order Establishing Revised Mandatory Risk Reduction Measures Applicable to All Activities and Sectors to Address the COVID-19 Pandemic ("Revised Risk Reduction Order"), applicable County Health Officer Mandatory Directives ("Mandatory Directives"), the Statewide Public Health Officer Order dated August 28, 2020 ("State August 28 Order"), reflected in the California Department of Public Health Blueprint for a Safer Economy ("State Blueprint"), and/or applicable State COVID-19 Industry Guidance ("State Guidance") (collectively, "Public Health Orders").

Based on this inspection, the Department of Environmental Health has Determined that the permitted facility has violated the Public Health Orders as follows:

- Failure to comply with all case investigation, contact tracing, and outbreak investigation measures by the County, including providing any information requested within the timeframe provided by the County. (Revised Risk Reduction Order, Section 12.d.)*

Corrective Action: Contact Leslie Inenaga, County of Santa Clara, Public Health Department at 408-883-2086 or Leslie.inenaga@phd.sccgov.org to provide required information and comply with the case investigation.

Notice of Permit Suspension **Immediate Closure Required**

Pursuant to County Ordinance Code section B11-34 and California Health and Safety Code sections 113715 and 114409, the permit to operate your food facility is hereby suspended. **You are ordered to immediately cease operation of the food facility at 1450 W CAMPBELL AV, CAMPBELL, CA 95008 and prevent public access to the facility.** Operation of your food facility constitutes an imminent hazard to public health because of the risk of COVID-19 transmission associated with the violations of the public health orders, as described above in this Official Inspection Report.

If you fail to immediately suspend operation of your food facility, the County may:

1. Charge you any costs the County incurs to correct the violations and public nuisance, including staff costs and attorneys' fees;
2. Initiate civil action or criminal prosecution;
3. Revoke your food facility permit; or
4. Take any other action appropriate under the law.

In order to reinstate your permit, you must contact the Department of Environmental Health at 408-918-3460 or DEHCovid19@cep.sccgov.org to schedule an inspection with a Department of Environmental Health inspector so that the inspector can verify that your food facility has abated all violations and is in full compliance with the public health orders and any other applicable laws. The Department of Environmental Health will schedule a verification inspection within three business days (not including weekends or holidays) of your request for reinspection. The initial reinspection to verify compliance will be conducted without charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made.

If you disagree that the violations exist, you may appeal the suspension by filing a written request addressed to Michael Balliet, Department of Environmental Health Director, for an appeal hearing to present any supporting evidence. Your written request for an appeal hearing must be filed within 15 calendar days of this notice and must be submitted either (1) by email to DEHAppeal@cep.sccgov.org or (2) by postal mail or in person to 1555 Berger Drive, Suite 300, San Jose CA, 95112. An appeal hearing will be conducted within fifteen (15) calendar days of receipt of your written appeal. **You must suspend operation of your food facility pending this appeal hearing.**

Continuing or future violations of the public health orders may lead to further permit suspension or revocation.
