Overall Comments:

NOTE: Per PIC, school serves prepackaged foods only. The food is received daily under refrigeration from San Jose Unified School District, then transferred to cooling bags or the upright refrigeration units. Students heat up the packaged food in microwaves. Facility uses single use utensils only and does not conduct warewashing on-site.

Recommend to keep temperature monitoring logs for refrigeration units.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **9/30/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
