Overall Comments:

Food is prepared at The Pasta Market located on Coleman Ave in San Jose. The food is received prepackaged and portioned with a time and temperature logs. Per employee, the food is discarded if not served after 4 hours from the packing time written on the log.

At time of inspection, time and temperature log for the day was reviewed.

- The pizzas (Cheese and pepperoni) was cooked to temperature measured at 192-197F, and packed at 9-10AM with packing temperature measured at 159F - 163F. The temperature measured during inspection was 88F.

- The chicken sandwich was cooked to 195F and packed at 9:40 AM with packing temperature measured at 161F. The temperature measured during inspection was 105F.

Cooking is no longer conducted in the kitchen but prep is still conducted by employees as fruits and cut and portioned in the kitchen.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **9/18/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
