Measured Observations

N/A

Overall Comments:

This is a charged follow up inspection requested by facility manager.

Observed one dying cockroach (on back, barely moving) on the floor of the dry storage room. PIC immediately removed cockroach, cleaned and sanitized area. Consulted supervisor regarding findings. All old shelving in dry storage and main preparation area have been removed. All refrigeration equipment (sushi display/preparation units) have been removed and will be replaced with brand new like for like equipment. All cooking equipment has been taken apart and thoroughly cleaned. All cracks, holes and deficiencies have been corrected. Pest control company has drilled into walls all long the tops through out facility to treat inside the walls, all holes created have been sealed. No other evidence of cockroaches observed while on site. Facility ok to reopen.

An office hearing will be conducted.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/28/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
