Overall Comments:

This is the first follow up inspection.

Observations:

K08: TPHC items were all time marked.

K09: Items at the steam table were all over 170F. No reheating observed.

K13: No adulterated foods observed. All staff were observed to have hair restraints.

K30: Facility has cleared out the shipping container of foods and food related equipment. PIC asked if they could store chaffing dishes in containers inside the shipping container. Discussed with PIC that chaffing dishes are food related equipment and must be stored inside the approved food facility.

Continue to correct any and all pending violations.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/16/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
