Inspector Observations: Fruit fly infestation observed on multiple food items in the produce area: red onions, yellow onions, white onions, and russet potatoes. Fruit flies observed crawling on food items.

[CA] All food shall be manufactured, produced, prepared, compounded, packed, stored, transported, kept for sale, and served so as to be pure and free from adulteration and spoilage; shall have been obtained from approved sources; shall be protected from dirt, vermin, unnecessary handling, droplet contamination, overhead leakage, or other environmental sources of contamination; shall otherwise be fully fit for human consumption.

Continue monitoring fruit flies:

- Rotate produce continuously throughout the day.**
- Remove any decaying produce immediately.**
- Routinely and thoroughly clean and sanitize produce display shelves.**

[SA] All food items were voluntarily discarded.

Overall Comments:

A follow up inspection will be conducted within 5 business days. The 1st follow-up inspection is free of charge. Any and all subsequent follow-up inspections will be billed at the approved hourly rate of \$323/hr, minimum of one hour.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **7/22/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
