Overall Comments:

Reinspection- changed yellow placard to green. Observed no rodent droppings. Several unused equipment have been removed.

Light bulbs have been replaced and it is much brighter. Continue to add light bulbs in the bagel oven area where it is very dim.

Continue with the pest control service for rodent and insect control.

According to the pest control report, there was no activity observed and the droppings appeared to be old.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/30/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
