Site utilizes shared cart near food dispensing point. Pre-packaged foods are accepted; opened foods are rejected/discarded.

All foods that are heated are discarded by end of service.

Received food reheating at time of inspection. Verified with PIC that acceptable reheating temperature is at 165F or above.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/7/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
