Overall Comments:

Facility received a yellow placard, indicating a conditional pass for major holding temperature and time as a public health control violations.

Upon follow up inspection:

Raw shell eggs were stored in the walk in cooler and measured 38F.

Boba and bean sprouts were observed to be on a TPHC system, utilizing timers to keep track of the four hour serving window. Timers observed to be set. Per operator, all remaining boba and bean sprouts at the end of the four hour serving period are discarded.

Major violations have been verified as corrected. Continue to work on violations from routine inspection report.

Report written by Shannon R.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/12/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
