Overall Comments:

Follow-up inspection for cockroach activity:

The following violation was corrected:

K23M - Cockroach Activity

- Observed wooden shelving harboring cockroach activity removed. No live activity in the facility.
- Cracks and crevices have not been sealed in the meat prep area.
- Seal all cracks and crevices to prevent continued harborage.
- Install only approved NSF or other approved shelving that is smooth, durable, and easily cleanable.
- Continue to communicate with pest control to provide any additional service as necessary.

Okay to operate in the meat prep area.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **11/20/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
