Overall Comments:

This is a follow up inspection to verify that all major violations mentioned on 3/2/26 inspection report have been addressed. Major violations have been addressed and found within compliance:

- K06: Adequate hand wash facilities supplied, accessible. All hand wash stations within the facility are fully stocked and operational. See measured observations.

- K07: Proper hot and cold holding temperatures. Rice has been cooled down and being placed in under counter refrigeration. All PHFs within prep table were removed and unit is still getting serviced by contractor, part is needed for unit. Once unit is operational make sure all foods are held 41°F below at all times.

Continue on working on any other violations mentioned on 3/2/26

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **3/19/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
