Overall Comments:

Observed PHFs in freezer (ice cream, lasagna). PIC stated the food is overflow from the Senior Cafe and that they are no longer serving prepackaged snacks to teens. In order for this permit to be inactivated, all the food from the refrigerator/freezer and cabinets must be removed and photos taken and emailed to inspector.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **5/21/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
