Overall Comments:

Charged follow-up inspection; observed 2 dried droppings and two places that need to be sealed, but no other evidence during time of inspection. Facility ok to reopen but will be subject to an additional charged inspection next week.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/29/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
