Overall Comments:

Follow up inspection to the routine inspection conducted on 11/28/2023 and initial follow up inspections.

Observed two dead cockroaches by the janitorial sink, two dead cockroaches by three compartment sink and three dead cockroaches by the ice machines. No live cockroaches observed. Facility has had several pest control treatments and will continue pest control treatments. Holes have been sealed and gaps between wall and equipment, tiles have been filled.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **12/18/2023**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
