Overall Comments:

A risk factor assessment/ structural review was provided during non-operational hours.

Provided inspection, discussion and education focused on observed and non-observed risk factors known to contribute to food borne illness.

An exit interview was conducted with the operator to address the inspection findings. The OIR will be delivered to the facility within CPD normal hours of operation.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **2/16/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
