Overall Comments:

On site for follow up inspection for routine inspection conducted on 10/09/2025.

Facility was closed due to rodent infestation.

No rodent activity observed in the facility. Pest control report from 10/10 reviewed. Report identified holes in chemical/supply closet.

Door sweep installed under back screen door.

Holes identified in small storage closet for chemicals have been sealed. Door sweep installed at storage closet.

Facility has been clean and sanitized. No accumulation of food or grease under cook line or warewash area.

Continue to maintain facility clean to prevent pest harborage.

Per manager, a follow up visit from pest control company is already scheduled and they will continue getting pest control service monthly.

Facility is reopened.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/24/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
