Overall Comments:

On-site to conduct follow-up to the previous routine inspection from 10/14/2026.

Observed fly activity is significantly reduced in the food preparation area at the time of inspection. Observed a small number of drain flies are still present (see violation K23). Ensure food is maintained in good and unadultered condition.

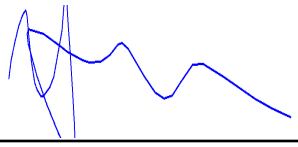

Verified facility has repaired leaks in the drainpipes underneath the sink. No standing water on the floor at the time of inspection.

Verified that facility has received pest control services as of 10/16/2026. The pest control company provided services and treatment for drain flies. Per PIC, the facility will continue to receive monthly pest control services or as frequently as needed.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **11/11/2026**.Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
