Overall Comments:

Visit to reopen after fire event.

Per fire department fire was contained to single fryer in back cookline of facility.

Upon inspection:

-Back cookline observed to have been cleaned. Per operator fryer had been emptied, cleaned, and then new oil was added.

-Facility has hot water at least 120F in all sinks and all sinks are draining properly. No coolers observed to be affected and cooler measured to be in temperature at time of inspection.

-Both ventilation hoods turn on and observed to be operational.

Facility may operate.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **9/9/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
