### Comments and Observations

#### Major Violations

N/A

#### Minor Violations

N/A

#### Measured Observations

Item	Location	Measurement	Comments
Water	Hand wash sink	100.00 Fahrenheit	Produce, meat, seafood
Hot water	Three compartment sink	132.00 Fahrenheit	Produce
Hot water	Three compartment sink	120.00 Fahrenheit	Meat
Hot water	Mop sink	120.00 Fahrenheit	

#### Overall Comments:

*Follow up inspection conducted along with Supervisor Suzanne Lew and Larry Little.*

*Facility was closed on 4/22/25 due to rodent infestation.*

*On site met with Brandon Talbott, Store Team Leader and his team.*

*Facility has cleaned rodent droppings noted during last inspection on 4/22/25.*

*All food items except some frozen food items and alcohol section are removed from the premises to allow access to clean under sales aisles, produce islands, deli, bakery and back of the house area.*

*No observations of any rodent activity in the facility during inspection. Per store team leader all contaminated surfaces have been cleaned and sanitized.*

*Facility has installed Xcluder door sweeps at all the entry points around the facility to prevent vermin entry.*

*Trees that were touching the building around the exterior have been trimmed to prevent vermin entry.*

*Gaps around pipes under women's restroom hand wash sinks and in men's restroom have been fixed. All other structural issues noted by pest control company have been corrected.*

*Pest control reports were provided by the facility to district specialist and supervisor weekly via email from March 2025 to present.*

*Per comments on plan check final inspection conducted on 9/9/25, facility has corrected the following items:*

- 1. Facility has removed existing handwash sink located near juice bar.*
- 2. Prep counters and prep cabinets that are not easily moveable throughout the facility have been sealed to eliminate gaps.*
- 3. Display refrigerator near meat area has been removed with a single door refrigerator on castors.*

*Photos were taken during the inspection.*

*Facility is ok to reopen.*

## FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **9/24/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
