**Facility lacks food prep sink inside facility. Per owner, most produce is delivered pre-washed and pre-cut. Mushrooms are not prewashed and are washed at another permitted facility, Great Indian Cuisine FA0211661. Facility also receives other pre-cooked foods from same facility, SOPs required to be submitted to this department on food handling, storage, and transportation.**

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 1/24/2023. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
