Overall Comments:

On site to verify that no changes have been made per plans submitted into this department.

***- Two additional rice cookers were added into the facility. The rice cookers are the same brand as the ones previously approved.
- Two induction heat wok (Apw Wyott) have been removed from the facility per the plans. Per PIC they did not have enough watts to power these two items and removed them from service.***

- Do not add any additional equipment into the facility without the approval of this department. Submit plans into department for any remodel or major remodeling.

****NOTE****

- Facility packages food from 9:30AM and serve until 12:30PM. TPHC form was provided to manager to fill out and submit into the department.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **12/13/2022**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
