Overall Comments:

This is a follow up inspection to verify that all major violations mentioned from 4/1/26 inspection report have been addressed. Major violations have been addressed and found within compliance:

- K23: No rodents, insects, birds, or animals. No evidence of vermin activity noted within the facility at the time of inspection.

- Recent pest control report was provided to specialist for review. Per owner, they plan on having pest control come once a week for the next month, then every two weeks, and then once a month.

- Continue to monitor for pest within the facility and contact pest control.

Facility is allowed to re-open.

Continue on working on any other violations mentioned on 4/1/26 inspection report.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **5/12/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
