<u>Item</u>	<u>Location</u>	<u>Measurement</u>	<u>Comments</u>
water	hand sink	108.00 Fahrenheit	
water	dish sink	110.00 Fahrenheit	

**Overall Comments:**

*The facility may reopen. There is now hot water at 110 degrees F. Please continue to adjust the hot water so that the dish sink can reach 120 degrees F minimum. The water drains properly but it splashes out and has a leak at the food prep sink. According to the owner it will get repaired this afternoon.*

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **3/21/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
