## Comments and Observations

### Major Violations

K23 - 8 Points - Observed rodents, insects, birds, or animals; 114259.1, 114259.4, 114259.5

**Inspector Observations:** *Observed a dead cockroach on the floor outside of the restroom hallway. The manager discarded the dead cockroach.*

*Observed rodent droppings on the floor in the back storage room. Food and beverage are not stored in the back room according to the manager. There were not any droppings observed in the front sales areas. Thoroughly looked through the food and beverage shelves and did not observe any insects or droppings. [CA] Clean up the droppings and take effective measures to eliminate rodents and insects from inside the facility. According to the manager there was a rodent in the facility and it was dealt with by the pest control company. The manager will email the most recent pest control report to this department. Continue to keep no food or beverage in the back area. Keep food and beverages off of the floor and protect from possible contamination. Reinspection will be made 5-29-25.*

### Minor Violations

### Measured Observations

N/A

### Overall Comments:

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/5/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
