Overall Comments:

This was a follow-up to the 4/21/25 inspection. Attempts were made to contact the owner to schedule a follow-up inspection, but no response was received.

- Spoke with manager on the phone during inspection. He stated they have been sweeping every day but was not sure if pest control was able to come since the last inspection.

- Due to the presence of rodent droppings during today's inspection, another inspection will be conducted next week. The next inspection will be billed \$298.

Contact inspector at mindy.nguyen@deh.sccgov.org if there are any updates.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **5/28/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
