**Overall Comments:**

*Follow-up for facility closed on 1/29/24 for cockroach infestation.*

*At time of follow-up inspection four dead cockroaches was observed by the three compartment sink. Did not observe dead or live cockroaches in any other areas of the kitchen. Facility has sealed and fixed openings and gaps located in the kitchen and walk-in cooler. Review the most recent pest control service report dated 1/29/24 which noted dead cockroaches observed from the treatment.*

*Facility shall clean and sanitize all affected areas and all food contact surface of the kitchen prior to resuming operations.*

*Facility is okay to operate once cleaning and sanitizing has been completed.*

*Per operator, the pest control treatment and monitoring will continue daily for the week. Facility shall provide, via email, a copy of the service report to the district specialist for the duration of the treatment. An additional follow-up inspection may be conducted if necessary. The additional follow-up inspection would be billed \$290/hour, minimum one hour, during normal business hours (Mon - Fri 7:30am - 4:40pm), and \$629/hour, minimum two hours, during non business hours.*

*The outdoor cooking area was no longer in use and pending removal of the cooking equipment.*

*Today's inspection is a subsequent follow-up inspection and it will be billed \$290/hour*

*Operator commented that new cooking equipment was added to the kitchen. The addition of new cooking equipment requires submittal of plans and specs to this department's Plan Check for review and approval. Additional information for the Plan Check process can be found on www.ehinfo.org*

*Joint inspection with Alex Alfaro*

## FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 2/13/2024. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
