**Overall Comments:**

*This was a follow-up to the 08/04/25 and 08/14/25 inspections to assess compliance for the handsink and the ice cream machine.*

*1. Observed the front handsink was unobstructed; nothing was stored inside. Observed a water pitcher was stored on a nearby countertop.*

*2. Specialist had not received any email or update regarding the ice cream machine/CDFA as requested. Per operator on site, the PIC had reached out to CDFA regarding the ice cream machine and they said it was OK for use.*

*\*\*\*Email WRITTEN confirmation of this approval of the facility's new ice cream machine from CDFA by 8/27/25. Email confirmation/correspondence to mindy.nguyen@deh.sccgov.org \*\*\**

*This inspection will be billed \$298.*

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **9/3/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
