Overall Comments:

COMPLAINANT REPORTS THAT THE CEILING CAME DOWN RIGHT NEXT TO THEM AS THEY WERE EATING. ALSO, OBSERVED WATER LEAKING FROM THE CEILING INTO THE KITCHEN.

Observed tiles down in the dining area and several water damaged ceiling tiles and ceiling throughout the facility including the kitchen. There is a leak in front of the cookline hood. This leak may contaminate food while being prepared and plated. Please stop food preparation. Facility must close. Clean up, the water, sanitize the areas, and repair the leaks. According to employees there was more dripping while it is actively raining. During inspection it is not raining. Contain the dripping water and repair the ceiling where it is damaged. Please call this department before reopening.

CLOSURE / PERMIT SUSPENSION NOTICE

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **2/26/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.

This notice is to inform you that as of this date the Environmental Health Permit for the above mentioned food facility is hereby suspended and all operations therewith are ordered to cease. This action is taken in accordance with Section 114409 of the California Health and Safety Code which states 'If any imminent health hazard is found, unless the hazard is immediately corrected, an enforcement officer may temporarily suspend the permit and order the food facility or cottage food operation immediately closed.'

You have the right to make a written request for a hearing within 15 days after receipt of this notice to show just cause why the permit suspension is not warranted. Failure to request such a hearing within the 15-day period shall be deemed a waiver of the right to a hearing. After these violations have been corrected, you must call the Department of Environmental Health for a reinspection to reinstate the permit to operate. Phone #: (408)918-3400.
