Overall Comments:

This is a follow up inspection to verify that all major violations mentioned on 1/13/26 inspection report have been addressed. Major violations have been addressed and found within compliance:

- K22: Sewage and wastewater properly disposed. No evidence of sewage within the floor sinks noted at the time of inspection. Per PIC, the contractor addressed issue same day of inspection (1/13/26). No other issues have risen.

Continue on working on any other violations mentioned on 1/13/26.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **2/5/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
