Overall Comments:

Follow-up for facility that was closed due to cockroach infestation

Operator has completed the following:

- Pest control service and treatment was performed. Most recent pest control service report dated 3/26/26 was reviewed which notes no further activity found in the food facility.
- Verified that the reopening checklist has been completed. Facility has cleaned and sanitized all affected areas. There was no signs of vermin or vermin debris observed.

Facility is okay to resume operations.

The following violations noted during previous inspection were also verified to be in compliance.

- Potentially hazardous foods in prep cooler holding at 39F.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/13/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
