Overall Comments:

Follow-up inspection to routine inspection conducted on 8/13/2026 resulting in a closure due to vermin.

Facility has received a professional pest control treatment and a follow-up service which states no vermin activity and has completed the checklist for reopening after a vermin infestation.

No cockroach activity observed at the time of follow-up inspection.

Facility is reopened and may resume operation.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/31/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
