Overall Comments:

Follow up inspection on hot water and walk in cooler

-Hot water restored last week on 8/18/2020. Manager sent photo verification of hot water reading 120F. Phone approval given to reopen.

Today observed:

-Walk in cooler measured at 40F.

-Hot water available

-Highly recommend installing paper towel dispenser at sink for handwashing (across from cooling racks). This second sink is a more easily accessible to food handlers.
