Overall Comments:

Follow-up for routine inspection conducted on 3/9/26.

Verified that major violations are in compliance.

- Handwash sinks are able to provide warm water, soap, and single-use paper towels.

- Potentially hazardous foods are measured at proper holding temperatures.

Violation with the prep sink being obstructed was NOT corrected at time of inspection. Continued non compliance with the prep sink at next inspection will result in further enforcement action.

A "person in charge" was not available at time of inspection. A "person in charge" who is responsible for operation of facility shall be present at the food facility during all hours of operation.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 3/26/2026. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
